Subject: Gold King Mine Incident - IMT and RSC deployments
[IMT KLP list from ERT R8 Aug2015.xlsx](#)

Hello RICT Members,

This is just a quick note to let you know that the Incident Command and Area Command groups, both located in Durango, continue to require assistance from IMT and RSC members on the Gold King Mine Incident. Thus far, we are deploying IMT members as listed on the attached spreadsheet; however there are a few exceptions (e.g. toxicologist Kristen Keteles, general RSC member, is deploying tomorrow to assist in the Environmental Unit).

If you have any questions or concerns about the deployment of an individual listed within your ARA-ship, please feel free to contact me. Regards, Gina
